M-NST ESPADA 3-IN 1

ESPADA HANDTRUCK / TROLLEY 3-IN-1 ALUMINUM

Professional 3-in-1 aluminum hand truck / trolley, capacity 227-340 kg

Ideal aluminum lightweight handtruck and trolley Espada 3 in 1.

Entirely made of aluminum.

The maximum load capacity of this handtruck is no less than 340 kg in platform position and 227 kg in handtruck position.

This handtruck is equipped with 2 very sturdy, puncture- proof PU-tires (polyurethane foam) and 2 rubber swivel castors.

The 3-in-1 handtruck and trolley Espada has a very large loading surface.

With fixed plate (460x300mm) and folding plate (720x190mm).

Suitable for intensive use.

Delivery completely assembled
