INSTRUCTIONS DE STOCKAGE

Cool down product before storing. Remove the battery and battery holder before storing. Do not allow the cords to be pinched. Do not store the battery pack together with metal objects (short circuit risk). Never break open battery packs and chargers and store only in dry rooms. Keep dry at all times.

CONSEIL D'UTILISATION

The heated jacket may be used for warming up the body in cold environments. For a continuous use set the temperature settings on the low mode. Do not use this product in any other way as stated for normal use.
