Structure

Grit	Aluminium oxide agglomerate
Coating	
Bonding	Resin
Backing	Y-Polyester
Production width	1.550 mm
Other	Waterproof
Delivery form	Short and narrow belts, wide belts

Application

Material	stainless steel, steel
Application	Surface grinding / finishing with contact wheels
Machines	Surface grinding machine, centerless machine, wide belt machine, wire grinding machine

Market segment

Manufacturers of round and square tubes, rail building, stainless steel service center, tank construction, producers of wire and welding rods

Product utility

Long life belt with extremely high life time, achieving a very equal and constant surface quality, especially developed for wet usage on centerless grinding machines, but also suited for other surface grinding operations, where a constant finish and a high life time is required, also in dry grinding operations. Product with harder agglomerate grain for applications with higher grinding pressure.
