

EX-GH125

ALUMINIUM HANDTRUCK

Professional aluminum folding hand truck, capacity 125 Kg.

Lightweight and completely collapsible for maximum space savings.

Folded in 2 seconds

Ideal for travel, exhibitions, office etc.

When folded, they easily fit in a car.

Lightweight, extremely flat aluminum folding handtruck with very large plate for carrying bulky loads. The hand truck is collapsed in an instant.

Curved back for transporting barrels / bottles.

Ergonomic rubber handle.

Foot support for easy tilting.

The TPR wheels are equipped with ball bearings and fold automatically.

The use of TPR combines the advantages of flexibility, comfort and durability. The wheels hold the road better, wear less quickly and improve comfort considerably.

Wheels are well resistant to weather influences and extreme temperature fluctuations.

Equipped with an elastic cord.

Patented product.

Delivered assembled.
