

EX-GH80

ALUMINIUM HANDTRUCK

Professional aluminum folding hand truck, capacity 80 Kg.

Lightweight and fully foldable for maximum space saving.

Folded in 2 seconds.

Ideal for travel, exhibitions, office, etc.

Folded, easy to take with you in a car.

Lightweight, extremely flat aluminum hand truck with very large plate for carrying large loads. The hand truck is collapsed in an instant.

Curved back for transporting barrels / bottles.

Ergonomic rubber handle.

Foot support for easy tilting.

The PU wheels are equipped with ball bearings and fold automatically.

The use of PU combines the advantages of flexibility, comfort and durability. The wheels hold the road better, wear less quickly and improve comfort considerably.

Wheels are well resistant to weather influences and extreme temperature fluctuations.

Equipped with an elastic cord.

Patented product.

Delivered assembled.
