

Platform truck

PR-NF-301-P

Professional platform truck, capacity 300 kg.

Perfect quality for professionals!

Easy to transport and store thanks to its foldable pushbar.

Beige 2-layer coated.

The extra-long plateau is provided with a reinforced vulcanized rubber mat with a thickness of 2 mm and is equipped all around with blue rubber bumper.

Security guards on hinges to protect the fingers when folding the pushbar.

Pushbar height is adapted to the European sizes (user does not have to bend).

With 4 non-marking noiseless wheels. Ø 130mm. Consisting of two fixed and two swivel casters.

These wheels provide a completely noiseless motion with low starting resistance.

Is delivered fully assembled.
