

RÈGLEMENT DE L'OPÉRATION COMMERCIALE

**« Gagnez une moto électrique STARK VARG by Milwaukee
et 2 places VIP pour le Supercross de Paris »**

1 – ORGANISATION

La société Bati-Avenue, société par actions simplifiée au capital de 100 000 euros, dont le siège social est situé 9 rue du Champ de l'Étang, Vendéopole de la Mongie, Sainte-Florence (85140), immatriculée au Registre du commerce et des sociétés de La Roche-sur-Yon sous le numéro 500 487 095, ci-après dénommée l'« Organisatrice », organise une opération commerciale avec obligation d'achat intitulée « Gagnez une moto électrique STARK VARG by Milwaukee et 2 places VIP pour le Supercross de Paris » (ci-après l'« Opération »).

L'Opération est accessible dans les conditions définies ci-après aux clients effectuant un ou plusieurs achats de produits Milwaukee sur le site internet www.bati-avenue.com (« Commandes Eligibles »).

La participation à l'Opération implique l'acceptation pleine et entière du présent règlement (ci-après le « Règlement »).

2 – PÉRIODE DE L'OPÉRATION

L'Opération se déroule du 28 septembre 2026 à 00h00 au 29 octobre 2026 à 23h59 inclus, heure de Paris (ci-après la « Période de l'Opération »).

Seules les Commandes Eligibles enregistrées sur le site www.bati-avenue.com pendant cette période sont prises en compte pour le calcul des montants d'achats produits Milwaukee éligibles mentionnés à l'article 5. Les dates et heures enregistrées dans les systèmes informatiques de l'Organisatrice font foi, sauf erreur manifeste.

3 – PARTICIPANTS

L'Opération est ouverte aux personnes physiques majeures et aux personnes morales établies en France métropolitaine (hors Corse), titulaires d'un compte client Bati-Avenue et ayant la capacité de passer une commande sur le site www.bati-avenue.com.

La participation est automatique et repose sur les achats de Produits Milwaukee Éligibles réalisés sur www.bati-avenue.com pendant toute la Période de l'Opération. Les différentes commandes éligibles passées par un même client pendant cette période sont cumulées afin de déterminer le franchissement des différents paliers visés à l'article 5.3.

Lorsque les commandes sont passées au nom d'une personne morale, la participation et, le cas échéant, les dotations sont attribuées à son représentant légal. Les montants d'achats des produits Milwaukee éligibles mentionnés à l'article 5 sont appréciés par compte client, en cumulant l'ensemble des Commandes Eligibles passées sur ce compte pendant la Période de l'Opération.

Sont exclus de l'Opération les membres du personnel de l'Organisatrice, les personnes ayant directement participé à la conception, à l'organisation ou à la gestion de l'Opération ainsi que toute personne dont la participation serait de nature à compromettre l'équité de l'Opération.

L'Organisatrice se réserve le droit de demander tout justificatif permettant de vérifier le respect des conditions de participation.

4 – PRODUITS MILWAUKEE ÉLIGIBLES

Le calcul du montant d'achats produits Milwaukee éligibles visé à l'article 5.2, ainsi que l'ensemble des seuils de paliers prévus à l'article 5.3, sont appréciés au regard d'une liste exhaustive des références (SKU) Milwaukee éligibles à l'Opération, figurant en **Annexe 1** du présent Règlement (ci-après la « Liste »).

Seules les références figurant sur la Liste sont considérées comme des « Produits Milwaukee Éligibles » pour les besoins de l'Opération. La Liste fait partie intégrante du présent Règlement et est publiée sur la page dédiée aux conditions de l'Opération sur www.bati-avenue.com.

L'éligibilité d'un achat est appréciée au regard de la Liste en vigueur à la date de validation de la commande correspondante.

5 – MÉCANIQUE DE L'OPÉRATION - PALIERS D'ACHATS DES PRODUITS MILWAUKEE ÉLIGIBLES

5.1 – Principe général

Les achats de Produits Milwaukee Éligibles réalisés par un client, cumulés sur la Période de l'Opération dans les conditions définies à l'article 5.2, permettent d'atteindre les paliers d'achats définis à l'article 5.3. Le franchissement de chacun de ces paliers déclenche, dans les conditions et selon les modalités définies aux articles 5.3, 6, 7 et 8 du présent Règlement, l'attribution des dotations correspondantes.

5.2 – Calcul du montant d'achats des produits Milwaukee éligibles

Pour les besoins du présent Règlement, le « montant d'achats produits Milwaukee éligibles » d'un client s'entend du montant cumulé, hors taxes (HT), des références Milwaukee figurant sur la liste visée à l'article 4 (ci-après les « Produits Milwaukee Éligibles »), achetées par ce client sur un même compte client, au titre de commandes :

- passées sur www.bati-avenue.com pendant la Période de l'Opération ;
- validées par Bati-Avenue ;
- intégralement payées ;
- non annulées, non intégralement ou partiellement remboursées, et non modifiées de manière à ne plus comprendre les Produits Milwaukee Éligibles concernés.

Ce montant est calculé après application de l'ensemble des remises, réductions, avoirs ou avantages applicables aux Produits Milwaukee Éligibles concernés, hors frais de livraison et frais annexes. Seuls les achats de Produits Milwaukee Éligibles entrent dans ce calcul ; les achats d'autres marques ou de produits Milwaukee ne figurant pas sur la liste visée à l'article 5 n'y sont pas intégrés.

En cas de retour, de rétractation, d'annulation ou de remboursement, partiel ou total, portant sur une commande comprenant des Produits Milwaukee Éligibles, le montant d'achats Milwaukee éligibles du client concerné est recalculé en conséquence. Si, après régularisation, ce montant recalculé ne permet plus d'atteindre un seuil de palier déjà considéré comme atteint, le client perd le bénéfice des avantages attachés à ce palier, sous réserve des dotations déjà valablement remises de bonne foi, sauf fraude avérée.

Toute commande fictive, impayée, frauduleuse ou passée dans le but de détourner le mécanisme de l'Opération sera exclue du calcul du montant d'achats Milwaukee éligibles.

5.3 – Trois paliers cumulatifs

Les avantages et dotations décrits ci-après sont cumulatifs : un client dont le montant d'achats Produits Milwaukee éligibles atteint le seuil du Palier 3 est réputé avoir également atteint les seuils des Paliers 1 et 2, et bénéficie, sous réserve du respect des conditions propres à chacun d'eux (notamment des limites de d'unités disponibles), des avantages attachés à chacun de ces trois paliers.

Palier 1 – à partir de 1 500 € HT d'achats de Produits Milwaukee éligibles

Le client dont le montant d'achats produits Milwaukee éligibles atteint, pendant la Période de l'Opération, au moins 1 500 € HT, calculé dans les conditions de l'article 5.2, pourra choisir un goodie Milwaukee (ci-après le « Goodie ») parmi la sélection suivante, dans la limite des stocks disponibles indiqués ci-après pour chaque référence :

- un sac de chantier Milwaukee (réf. T0224936995337) : 300 unités disponibles ;
- une casquette Milwaukee, au choix parmi :
 - casquette baseball (réf. T0224939434025) : 60 unités disponibles ;
 - casquette baseball édition limitée (réf. T0224939436004) : 31 unités disponibles ;
 - casquette filet (réf. T0224939742613) : 50 unités disponibles ;
- un ballon de football Milwaukee (réf. T0224939798513) : 77 unités disponibles ;
- un tee-shirt rouge à manches courtes Milwaukee (réf. T022493943407001) : 348 unités disponibles ;
- une gourde Milwaukee (réf. T0224939797413) : 50 unités disponibles.

Les Goodies sont attribués dans l'ordre chronologique des choix effectués par les clients, chaque référence étant attribuée dans la limite de son stock et jusqu'à épuisement de celui-ci.

Pour les besoins du présent Règlement, la valeur commerciale unitaire du Goodie est arrêtée à un maximum de 40 € HT.

En cas d'indisponibilité de la référence choisie par le client, l'Organisatrice proposera un autre Goodie de la sélection ci-dessus ou, à défaut, un Goodie de nature et de valeur équivalentes.

Palier 2 – à partir de 3 000 € HT d'achats de Produits Milwaukee éligibles

Les quarante (40) premiers clients dont le montant d'achats Produits Milwaukee éligibles atteint, pendant la Période de l'Opération, au moins 3 000 € HT, calculé dans les conditions de l'article 5.2, se voient chacun attribuer une (1) radio-chargeur Milwaukee PACKOUT M18 PRCDAB+-0 (référence 4933472112, ci-après la « Radio »), d'une valeur commerciale unitaire indicative de 355,82 € HT / 426,98 € TTC à la date d'établissement du présent Règlement, soit une dotation totale indicative de 14 232,80 € HT / 17 079,20 € TTC pour l'ensemble des quarante (40) unités.

Cette dotation est strictement limitée à quarante (40) unités. Le rang d'atteinte du seuil de 3 000 € HT par chaque client est déterminé par la date et l'heure de validation, dans les systèmes informatiques de l'Organisatrice, de la commande ayant permis d'atteindre ou de dépasser ce seuil.

Les clients dont le montant d'achats Milwaukee éligibles atteint 3 000 € HT au-delà du quarantième rang ne bénéficient pas de la Radio, sans préjudice, le cas échéant, du bénéfice du Goodie prévu au Palier 1 et de leur éligibilité au classement du Palier 3.

Palier 3 – à partir de 5 000 € HT de Produits Milwaukee éligibles : participation au Challenge STARK VARG

Tout client dont le montant d'achats Produits Milwaukee éligibles atteint, pendant la Période de l'Opération, au moins 5 000 € HT, calculé dans les conditions de l'article 5.2 (ci-après un « Client Éligible au Challenge »), devient éligible au classement décrit à l'article 6, permettant de remporter la dotation suivante (ci-après la « Dotation Principale ») :

- une (1) moto électrique STARK VARG, d'une valeur commerciale indicative de 13 900 € TTC ;
- deux (2) places VIP pour le Supercross de Paris 2026, dont l'édition se déroule les 21 et 22 novembre 2026, d'une valeur commerciale totale indicative de 300 € TTC.

La valeur commerciale indicative totale de la Dotation Principale est de 14 200 € TTC.

6 – CLASSEMENT ET DÉSIGNATION DU GAGNANT DU CHALLENGE STARK VARG (PALIER 3)

6.1 – Calcul du score

Pour chaque Client Éligible au Challenge, un score (ci-après les « Points ») est calculé, à la clôture de la Période de l'Opération, selon les modalités cumulatives suivantes :

- un (1) point par tranche complète de 10 € HT d'achats de Produits Milwaukee éligibles cumulés, calculés conformément à l'article 5.2 ;
- cent (100) points supplémentaires par catégorie de produits distincte du site www.bati-avenue.com, telle que ces catégories sont définies dans l'Annexe 1 visée à l'article 4, au sein de laquelle le client a acheté au moins un Produit Milwaukee Éligible pendant la Période de l'Opération.

Exemple d'application : Pendant la Période de l'Opération, un Client Éligible au Challenge achète les Produits Milwaukee Éligibles suivants (prix indiqués à titre d'illustration) :

Référence (SKU)	Catégorie	Prix HT
XXXX	Electroportatif > Outils sans fil > Percer, Visser, Boulonner > Perceuses visseuses à percussion sans fil	2 800 €
XXXXX	Espaces verts > Tondeuses > Tondeuses à batterie	1 700 €
XXXXXX	Lifestyle-EPI > Protection des mains > Gants High Tech > Gants anti-coupure	800 €

Soit un montant total d'achats Milwaukee éligibles de **5 300 € HT**, répartis sur **trois (3) catégories distinctes** de l'Annexe 1. Ce montant dépassant le seuil de 5 000 € HT du Palier 3 (article 5.3), ce client est un Client Éligible au Challenge dont le score est calculé conformément au présent article 6.1.

Son score est calculé comme suit :

- **Points liés au montant d'achats :** 5 300 € HT ÷ 10 € = 530 tranches complètes → **530 points** ;
- **Points de diversification :** 3 catégories distinctes × 100 points → **300 points** ;
- **Score total :** 530 + 300 = **830 points**.

Les Points ne sont utilisés que pour les besoins de l'établissement du classement de la présente Opération. Ils n'ont aucune valeur monétaire, ne peuvent être cédés, échangés ou convertis en remise, avoir ou avantage de fidélité de quelque nature que ce soit, et sont définitivement supprimés à l'issue de l'Opération.

6.2 – Établissement du classement et désignation du gagnant

À la clôture de la Période de l'Opération, l'Organisatrice établit le classement de l'ensemble des Clients Éligibles au Challenge par ordre décroissant de leur score total de Points.

Sous réserve de la vérification de son éligibilité dans les conditions de l'article 7, le Client Éligible au Challenge ayant obtenu le score total de Points le plus élevé se voit attribuer la Dotation Principale.

6.3 – Départage en cas d'égalité

En cas d'égalité de score total de Points entre plusieurs Clients Éligibles au Challenge à l'issue du calcul visé à l'article 6.2, il est procédé, dans l'ordre ci-après, aux critères de départage suivants, chaque critère n'étant appliqué qu'à défaut de désignation d'un gagnant unique par le ou les critères qui le précèdent :

- 1° le client dont le montant d'achats Milwaukee éligibles calculé conformément à l'article 5.2 (hors bonification de diversification visée à l'article 6.1) est le plus élevé ;
- 2° à défaut, le client ayant acheté des Produits Milwaukee Éligibles dans le plus grand nombre de catégories distinctes du site www.bati-avenue.com ;
- 3° à défaut, le client ayant atteint en premier, au cours de la Période de l'Opération, le seuil d'éligibilité de 5 000 € HT d'achats Milwaukee visé à l'article 5.3 (Palier 3), tel que déterminé par la date et l'heure de validation, dans les systèmes informatiques de l'Organisatrice, de la commande ayant permis d'atteindre ce seuil ;
- 4° à défaut d'une désignation par les critères qui précèdent, le client dont le compte client a été créé le plus anciennement sur www.bati-avenue.com.

Il est précisé qu'aucun tirage au sort n'est mis en œuvre pour départager les Clients Éligibles au Challenge : le gagnant est exclusivement désigné sur la base des critères objectifs et vérifiables énoncés ci-dessus.

7 – VÉRIFICATION DE L'ÉLIGIBILITÉ AVANT ATTRIBUTION DES DOTATIONS

Avant toute attribution définitive d'une dotation au titre des Paliers 1, 2 ou 3, l'Organisatrice vérifie que le compte client concerné remplit toujours l'ensemble des conditions du présent Règlement, notamment :

- l'atteinte effective du seuil d'achats Milwaukee applicable, calculé conformément à l'article 5.2, à la date de cette vérification ;
- l'absence d'annulation, de remboursement ou de modification des commandes ayant permis d'atteindre ce seuil, dans des conditions telles que le seuil ne serait plus atteint ;
- le respect des conditions de participation de l'article 3.

S'agissant plus particulièrement du classement établi à l'article 6 pour le Palier 3, cette vérification est réalisée après la clôture de la Période de l'Opération, afin de tenir compte notamment d'éventuelles annulations de commandes et, lorsque cela est applicable, de l'expiration du délai légal de rétractation de quatorze (14) jours. Le classement définitif des Clients Éligibles au Challenge, mentionné à l'article 6.2, n'est ainsi arrêté qu'une fois les achats des clients concernés définitivement validés et, le cas échéant, après réception de leur dernier produit, dans un délai de quinze (15) jours suivant la clôture de la Période de l'Opération, et au plus tard le 16 novembre 2026.

Toute commande fictive, impayée, frauduleuse ou passée dans le but de détourner le mécanisme de l'Opération pourra entraîner l'exclusion du client concerné de l'Opération, sans préjudice de la restitution des dotations déjà remises le cas échéant et des autres droits dont dispose l'Organisatrice.

8 – DOTATIONS : MODALITÉS D'ATTRIBUTION ET DE REMISE

8.1 – Caractère non substituable

Sauf en cas d'indisponibilité visée à l'article 8.5, les dotations attribuées au titre des Paliers 1, 2 et 3 sont nominatives et ne peuvent être échangées contre leur valeur en espèces, ni contre un autre bien ou avantage, ni cédées à un tiers.

8.2 – Dotation du Palier 1 (Goodie)

Les clients remplissant les conditions du Palier 1 choisissent directement leur Goodie dans leur panier Bati-Avenue, parmi les références proposées à l'article 5.3 et dans la limite des stocks disponibles.

8.3 – Dotation du Palier 2 (Radio-chargeur)

Les clients figurant parmi les quarante (40) premiers ayant atteint le seuil du Palier 2 verront la Radio directement ajoutée à la commande et expédiée, dans la limite des quarante (40) unités disponibles.

8.4 – Dotation Principale (Palier 3)

Une fois le classement définitif établi dans les conditions de l'article 7, le gagnant désigné dans les conditions de l'article 6 sera informé par téléphone à partir des coordonnées associées à son compte client. Le gagnant recevra une confirmation par courrier électronique à laquelle il devra répondre dans un délai de cinq (5) jours calendaires suivant le premier contact de l'Organisatrice et transmettre les informations nécessaires à la remise de la Dotation Principale.

À défaut de réponse dans ce délai, en cas de coordonnées erronées, d'inéligibilité constatée, d'invalidation de tout ou partie des achats ayant permis au client d'obtenir son classement, ou de refus de la dotation, le gagnant sera réputé avoir renoncé à la Dotation Principale. L'Organisatrice pourra alors attribuer celle-ci au client suivant dans l'ordre du classement établi à l'article 6, sous réserve que ce dernier remplisse les conditions d'éligibilité et sous réserve, le cas échéant, de la vérification prévue à l'article 7.

Les modalités pratiques de remise ou de mise à disposition de la moto et des deux places VIP seront communiquées directement au gagnant. Le gagnant devra, le cas échéant, justifier de son identité ou de sa qualité de représentant du client professionnel bénéficiaire.

Les places VIP sont remises selon les modalités, dates, horaires et conditions d'accès déterminés par l'organisateur du Supercross de Paris et figurant sur les titres d'accès.

Sauf mention expresse contraire, les frais de transport, d'hébergement, de restauration et toutes dépenses personnelles liés à la participation au Supercross de Paris restent à la charge exclusive du gagnant et de son accompagnant. Les éventuels frais d'assurance, d'immatriculation, d'équipement, d'entretien, de transport ou d'utilisation de la moto ne sont pas compris dans la Dotation Principale.

8.5 – Indisponibilité d'un élément de dotation

En cas d'indisponibilité d'un élément d'une dotation, pour une cause indépendante de la volonté de l'Organisatrice, celle-ci pourra y substituer un lot de nature et de valeur équivalentes ou supérieures, dans la mesure du possible.

9 – DONNÉES PERSONNELLES

Les données personnelles nécessaires à l'organisation de l'Opération sont traitées par Bati-Avenue en qualité de responsable de traitement afin d'identifier les commandes éligibles, gérer les participations, établir le classement prévu à l'article 6, vérifier l'éligibilité du gagnant, remettre les dotations, prévenir la fraude et gérer les éventuelles réclamations.

La participation à l'Opération n'est pas conditionnée à l'acceptation de prospection commerciale distincte. Les données collectées ou utilisées dans le cadre du Jeu sont traitées pour les besoins exclusifs de son organisation. Toute utilisation à des fins de prospection commerciale demeure soumise aux règles applicables et à l'existence d'une base légale appropriée.

Les personnes concernées peuvent exercer leurs droits d'accès, de rectification, d'effacement, de limitation et, selon le cas, d'opposition, en écrivant à contact@bati-avenue.com. Elles disposent également du droit d'introduire une réclamation auprès de la CNIL.

Les données spécifiques de l'Opération sont conservées pendant 3 mois à compter de la clôture de l'Opération par l'Organisatrice, afin de procéder à la remise des dotations et au traitement des réclamations. Les données seront supprimées ou archivées conformément aux obligations légales et à la politique de conservation de Bati-Avenue.

Pour plus d'informations sur ce point, le participant est informé qu'il peut se référer à la [politique de protection des données personnelles](#) accessible via la page d'accueil sur le Site Internet.

10 – RÈGLEMENT, PROPRIÉTÉ INTELLECTUELLE ET MODIFICATION DE L'OPÉRATION

Le présent Règlement est accessible gratuitement pendant toute la durée de l'Opération depuis la page dédiée aux conditions de l'Opération sur www.bati-avenue.com. La Liste des références des Produits Milwaukee éligibles visée à l'article 4 est publiée sur cette même page ou dans un document annexe accessible depuis celle-ci.

Les marques, logos, textes, images et autres éléments reproduits dans le cadre de l'Opération restent la propriété de leurs titulaires respectifs et sont protégés par les règles applicables en matière de propriété intellectuelle.

L'Organisatrice se réserve le droit de prolonger, écourter, suspendre, modifier ou annuler l'Opération lorsque des circonstances indépendantes de sa volonté, un impératif légal, un problème technique majeur, une fraude ou un cas de force majeure l'exigent. Toute modification substantielle sera portée à la connaissance des participants par un moyen approprié.

11 – RESPONSABILITÉ

L'Organisatrice ne saurait être tenue responsable des incidents ou dommages résultant d'un usage non conforme, imprudent ou illicite de la moto après sa remise, sous réserve des garanties légales et responsabilités impératives applicables.

Elle ne saurait davantage être tenue responsable d'une modification, d'un report ou d'une annulation du Supercross de Paris décidé par l'organisateur de l'événement ou résultant d'un événement extérieur à son contrôle.

L'Organisatrice ne pourra être tenue responsable d'une impossibilité de participer, ou d'une erreur dans le calcul des montants d'achats Milwaukee ou des Points, résultant d'un dysfonctionnement du site, du réseau Internet, d'un moyen de paiement ou d'un événement extérieur à sa volonté, sauf faute qui lui serait directement imputable.

Toute fraude ou tentative de fraude pourra entraîner l'annulation de la participation concernée et l'exclusion de l'Opération, sans préjudice des autres droits dont dispose l'Organisatrice.

12 – DROIT APPLICABLE, RÉCLAMATIONS ET PREUVE

Le présent Règlement est soumis au droit français.

Toute réclamation relative à l'Opération devra être adressée à Bati-Avenue, de préférence par courrier électronique à contact@bati-avenue.com, en précisant le ou les numéros de commande concernés et l'objet « Opération STARK VARG / Supercross 2026 ».

Les enregistrements informatiques de Bati-Avenue relatifs aux commandes, paiements, dates de commande, références achetées, montants d'achats Milwaukee, Points, classements et opérations d'attribution des dotations constituent des éléments de preuve, sauf erreur manifeste ou preuve contraire recevable.

En cas de difficulté, les parties rechercheront en priorité une solution amiable. Les règles impératives applicables aux consommateurs, notamment en matière de médiation et de compétence juridictionnelle, demeurent applicables. Pour les participants professionnels, les stipulations contractuelles applicables à leur relation commerciale avec Bati-Avenue restent applicables sous réserve des règles impératives.
